CURRENT PROJECTS					
Swathing for barley grass weed seed collection and applying drone technology	Amanda Cook	SAGIT	SARDI	\$190,000	1 July 2017 – 30 June 2020
Using soil water information to make better decisions on Eyre Peninsula	Andrew Ware	SAGIT	SARDI	\$200,000	1 July 2016 - 30 July 2019
Eyre Peninsula Farming Systems Summary 2016-2018	Naomi Scholz	SAGIT	EPARF	\$45,000	1 July 2016 - 30 July 2019
Burning of weed seeds in low rainfall farming systems	Naomi Scholz	SAGIT	SARDI	\$81,600	1 July 2016 - 31 Dec 2017
Identifying the causes of unreliable N fixation by medic based pastures	Nigel Wilhelm	SAGIT	SARDI	\$390,100	1 July 2015 – 30 June 2018
Application of CTF in the low rainfall zone - MAC R Site	Naomi Scholz	GRDC via Australian Controlled Traffic Farming Association	SARDI	\$50,000	1 July 2014 – 30 June 2019
Eyre Peninsula Farming Systems 4 – Maintaining profitable farming systems with retained stubble on upper EP	Naomi Scholz	Grains Research & Development Corporation (GRDC)	EPARF	\$1,550,000	1 Jul 2013 - 30 Jun 2018
Maintaining profitable farming systems with retained stubble - Component 1 Coordination Support	Naomi Scholz	Grains Research & Development Corporation (GRDC)	SARDI	\$527,000	1 Oct 2013 - 30 Sep 2018
PAST PROJECTS					
Extension of the Improved management of soil organic matter for profitable and sustainable cropping	Amanda Cook	GRDC via Crop Facts Pty Ltd	SARDI	\$40,000	1 July 2015 – 30 June 2017
Improving fertiliser efficiency and reducing disease impacts using fluid delivery systems	Amanda Cook	SAGIT	SARDI	\$241,000	1 Jul 2014 – 30 Jun 2017
Overdependence on agrochemicals	Naomi Scholz	GRDC via Central West Farming Systems	SARDI	\$128,800	1 Jul 2014 – 30 Jun 2017
Eyre Peninsula Grain & Graze 3	Naomi Scholz	Grains Research & Development Corporation (GRDC) via Sothern	SARDI	\$433,000	1 Jul 2013 – 30 Jun 2016

Project title	SARDI Project Manager	Funding Source/Collaborators	Lead Org.	Amount (ex GST)	Start/Finish Date
		Farming Systems			
Reducing methane emissions from improved forage quality on mixed farms	Brian Dzoma	DAFF Action on the Ground program	EPARF	\$664,400	1 Nov 2013 - 30 Jun 2017
Profitable crop sequencing in the low rainfall areas of South Eastern Australia	Suzie Holbery	Grains Research and Development Corporation via Low Rainfall Collaboration	SARDI	\$290,000	01/07/10-30/06/16
Demonstrating best management for Rhizoctonia on upper EP	Amanda Cook	SAGIT	SARDI	\$319,765	1 July 2012 - 30 June 2015
Developing sustainable weed management strategies for the long term viability of farming systems on the Eyre Peninsula	Naomi Scholz	EP Grain Growers Rail Fund	EPARF	\$175,000	1 Jan 2014 – 30 Jun 2015
Increasing carbon storage in alkaline sodic soils through improved productivity and greater organic carbon retention	Suzie Holbery	DAFF Filling the Research Gap	SARDI	\$288,098	1 Jul 2012 - 30 Jun 2015
Improved nitrogen efficiency across biophysical regions of the Eyre Peninsula	Brian Dzoma	DAFF/EPNRM	SARDI	\$268,295	1 Jul 2012 - 30 Jun 2015
Farmers leading and learning about the soil carbon frontier	Amanda Cook	DAFF Action on the Ground/GRDC	EPARF	\$30,000	1 May 2012 - 31 March 2015
Efficient grain production compared with N2O emissions	Naomi Scholz	DAFF Action on the Ground/ BCG	EPARF	\$22,550	1 Jan 2013 - 31 Mar 2015
Improving management practices of Rhizoctonia 'bare-patch' on upper EP soils	Amanda Cook	Community Landcare Grants	EPARF	\$50,000	1 Jan 2014 - 30 Dec 2014
Regional Landcare Facilitator Project	Naomi Scholz	EPNRM/DAFF	EPARF	\$70,000	1 Jul 2013 - 30 Jun 2014
Developing future leaders for farming communities on the Eyre Peninsula	Linden Masters/Mark Stanley	Community Landcare Grants	EPARF	\$50,000	1 Sep 2013 - 30 Dec 2014
Lamb survival in low rainfall areas 2	Jessica Crettenden	SASAG	EPARF	\$20,000	1 Mar 2013 - 31 Dec 2013
Eyre Peninsula Grain & Graze 2	Naomi Scholz	Grains Research and Development Corporation/ Caring for our Country via University of Adelaide	SARDI	\$808,000	01/01/10-31/12/13
Extending best practise wool innovations on Eyre Peninsula	Jessica Crettenden	AWI	SARDI	\$230,000	Nov 2011 - Jul 2014
Eyre Peninsula Farming Systems	Naomi Scholz	Grains Research and		\$1,302,000	01/07/08-

Project title	SARDI Project Manager	Funding Source/Collaborators	Lead Org.	Amount (ex GST)	Start/Finish Date
3 - Responsive Farming Systems		Development Corporation via University of Adelaide			30/06/13
Landcare Facilitator Network	Naomi Scholz	Eyre Peninsula NRM Board/Caring for our Country		\$174,000	01/07/10-30/06/13
Introducing new perennials and systems adapted to semi-arable farm land on Eyre Peninsula	Roy Latta	Caring for our Country		\$176,650	1 Dec 2011 - 30 Jun 2013
Impact of summer weed control on Rhizoctonia inoculum levels over summer	Amanda Cook	SAGIT/EPARF		\$15,000	1 Nov 2011 - 30 June 2012
Lamb survival in low rainfall areas	Jessica Crettenden	SASAG (SA Sheep Advisory Group)		\$9,900	Jan 2012 - Dec 2012
South Australian Adaptive Practices to Minimise the Impact of Climate Change on Farm Viability	Roy Latta	DAFF via Ag Excellence Alliance		\$60,000	01/07/10-31/12/12
Training & Demonstration of PA in Practice	Linden Masters	Grains Research and Development Corporation via SPAA Precision Agriculture Association		\$28,000	01/01/10-31/12/12
Developing robust and lower risk farming systems by understanding the impact of soil carbon	Amanda Cook	SA Grains Industry Trust		\$245,000	01/07/08-30/06/11
Grain and Graze - Flexible systems responding to Climate Change	Naomi Scholz	Eyre Peninsula Natural Resources Management Board		\$100,000	01/07/08-30/06/09
Increasing profitability and reducing erosion with No-tillage on Eyre Peninsula	Michael Bennet	Caring for our Country/ South Australian No Till Farmers Association		\$170,000	01/04/09-30/06/09
Soil compaction in agricultural soils of Eyre Peninsula	Cathy Paterson	SA Grains Industry Trust		\$170,000	01/07/06-30/06/09
Eyre Peninsula Farming Systems 2	Naomi Scholz	Grains Research and Development Corporation via University of Adelaide		\$1,307,000	1/11/05-01/05/08
Eyre Peninsula Grain & Graze	Naomi Scholz	Grains Research and Development Corporation/ Meat & Livestock Australia/ Land & Water Australia/ Australian Wool Innovation		\$1,064,000	05/12/2004-30/06/2008
Improving the use of plant available water in low rainfall cropping and pasture systems of Eyre Peninsula	Alison Frischke	SA Drought Response Team		\$201,000	01/07/07-30/06/09
